

New Psalm 12

God loves us all and it's something we must believe with every fiber of our faith.
For when a man convinces himself that God loves him alone,
Or his country alone,
Then that man is capable of anything.
He will hurt other men,
He will steal from other men,
And he will kill other men, women, and children that are loved by God,
And not by him.
And it has to be a dangerous thing to hurt what God,
The creator, loves.
We ought never to lose sight of the knowledge that God loves us all
And it is something we must believe
If we are ever to know Him
And understand
How He loves us,
With all our faults and our addictions
With our pains and our afflictions,
With our souls in constant need of mercy
With our deeds in constant need of forgiveness
God loves us ALL
And it is something we must believe.
